Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of NPB Financial Group, LLC (the "Company") as of December 31, 2017, the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information contained in Schedules I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

NPB Financial Group, LLC
Notes to Financial Statements
December 31, 2017

Note 1 – Organization and Nature of Business

NPB Financial Group, LLC (the “Company”) was organized as a Limited Liability Company in the State of California on August 19, 2005 and is registered with the Securities and Exchange Commission as a broker-dealer in securities and as an investment advisor under the 1940 Investment Advisors Act as amended. The Company is also registered as a broker-dealer with the Financial Industry Regulatory Agency (“FINRA”).

Note 2 – Significant Accounting Policies

Basis of Presentation – The Company conducts the following types of business as a securities broker-dealer, which comprises several classes of services, including:

- Broker or dealer retailing corporate equity securities over-the-counter
- Broker or dealer selling corporate debt securities
- Mutual fund retailer
- U.S. government securities broker
- Municipal securities dealer
- Broker or dealer selling variable life insurance or annuities
- Put and call broker or dealer or option writer
- Investment advisory services
- Broker or dealer selling tax shelters or limited partnerships in primary distributions
- Non-exchange member arranging for transactions in listed securities by exchange member

Under its membership agreement with FINRA and pursuant to Rule 15c3-3 (k) (2) (ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Commissions – Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Revenue Recognition - The Company recognizes revenue upon rendering of services. Advisory fees are billed both in advance and arrears, at the beginning of each quarter; a portion is either deferred or accrued depending on the timing of the billing.

Organization Costs – Costs incurred in connection with the formation of the Company are being amortized over fifteen (15) years. The amortization expense for the year ended December 31, 2017 was \$879.

NPB Financial Group, LLC
Notes to Financial Statements
December 31, 2017

Note 2 – Significant Accounting Policies (continued)

Income taxes - The Company, with consent of its Members, has elected to be a California Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has a similar treatment, with a gross receipts tax and a minimum Franchise Tax of \$800.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

The accounting principles generally accepted in the United States of America provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2014 to the present, generally for three years after they are filed.

Property, Equipment and Depreciation - Property and equipment are carried at cost. Depreciation is calculated using a straight-line method. The estimated lives of the depreciable assets range from five to seven years. Depreciation expense for the year ended December 31, 2017 was \$7,337.

Note 3 - Fair Value

Unless otherwise indicated, the fair values of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

Note 4 - Concentration of Credit Risk

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 5 - Concentration of Risk

Amounts held in financial institutions occasionally are in excess of the Federal Deposit Insurance Corporation and Securities Investor Protection Corporation limits. The organization deposits its cash in high quality financial institutions, and management believes the organization is not exposed to significant credit risk on those amounts. The amount greater than the FDIC limit at December 31, 2017 was \$640,935.

NPB Financial Group, LLC
Notes to Financial Statements
December 31, 2017

Note 6 – Net Capital Requirement

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2017, the Company had net capital of \$552,907 which was \$479,062 in excess of its required net capital of \$73,845. The Company's net capital ratio was 2 to 1.

Note 7 – Provision for Income Taxes

The Company is subject to a limited liability company gross receipts tax, with a minimum provision of \$800. For the year ended December 31, 2017, the Company recorded the minimum liability company income tax of \$800 and gross receipts tax of \$11,790.

Note 8 – Clearing Broker Deposit

The Company has an agreement with its clearing broker to clear securities transactions, carry customers' accounts and perform certain recordkeeping functions and requires a minimum deposit of \$25,000.

Note 9 – Pension Plan

The Company established a retirement plan effective January 1, 2010 covering substantially all of its employees over 21 years of age and with at least 1,000 hours of service per year.

The Profit Sharing Plan is qualified under Section 401(k) of the Internal Revenue Code. The plan allows eligible employees to contribute up to 100% of their compensation (not to exceed the current IRS limits). For 2017, the Company matched 125% of the first 5% of employee contribution of all qualifying participants under the Plan for the 2017 Plan year. The Employer contribution vests 100% after 5 years of service. The Company contributed \$42,312 to the Plan during the year ending December 31, 2017.

Note 10 – Contingencies

In the normal course of business, the Company is subject to pending and threatened legal actions. After reviewing the pending and threatened litigation with counsel, management believes that the outcome of such actions will not have a material adverse effect on the Company's statement of financial condition.

NPB Financial Group, LLC

Note 13 – Subsequent Events

Management has reviewed the results of operations for the period of time from its year end December 31, 2017 through the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Note 14 – Guarantees

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2017 or during the year then ended.

Management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2017, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2017, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

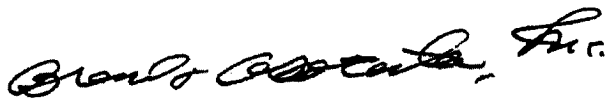

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
